ARMY ORIENTEERING CHAMPIONSHIPS 9-11 JUN 87: RCT HQS

1. Attached are the results of the Team and Individual Orienteering Championships held in the BRUGHEI/BRACHT area of the Rear Combat Zone on 10/11 Jun 87.
2. From comments received during and after the event, most runners supported the change to the new format but agreed that it needs some fine tuning, particularly on the Relay day, to produce a form of competition that is easily followed by spectators and participants but retains the nature and spirit of the activity. This will be discussed in committee during Jul for the 1988 season.
3. As one who has been involved with Army Orienteering since 1966, it was gratifying to see the much increased level of competition in the older age groups, which should in turn lead to an increased awareness of its military advantages, and the talent and skill of those under 21 who form the basis of Orienteering's future.

N G ROACH
Maj RCT
Secretary, RCT Orienteering
