SEDIST ORIENTEERING CHAMPIONSHIPS 1991 - RESULTS

1. The full results of the District Championships held on 20 Mar 91 are attached.
2. It was good to see so many runners competing so soon after their return from OP Granby and their efforts to enter thus ensured a credible Championships.
3. WO2 Steve Scully was responsible for the courses at this, his first major event and I believe he tested us well although, as ever in orienteering, you cannot please everybody. The lead-in time he allowed himself and the coordination with CSgt Dennis Woodhart the controller prevented any last minute panics. It was a pity about the weather on the day particularly as before and after it was more bearable. Hopefully better weather will appear at the UKLF Championships at the end of April.
4. Qualifying teams and the top three male and females have been sent the UKLF Championships administration instructions, which includes an entry form. If other units or individuals are interested in entering as "Guest" runners they should contact my successor as secretary, Lt P Hall REME on Arborfield Mil ext 2304 for a copy.
5. I would like to thank Col D R Axson, Chairman of SEDIST Orienteering for presenting the prizes on the day.
6. Thanks also are due to SSgt Aidy White for his swift and enthusiastic production of the results.
7. Good luck to all at the UKLFs.
