Course Notes

- The Vegetation.** At this time of year, the vegetation is currently getting lower in the wooded areas. The brambles and nettles are still potent and making “slow run” and “fight” vegetation marked areas a challenge to get through.
- The Courses.** The Brown, Blue and Score courses will run over Battlesbury Hill, therefore normal orienteering or trail running shoes are recommended. The Light Green, Short Green and Long Orange courses remain in the urban areas, but trail shoes are still recommended. All courses start in the camp area, but running on roads is kept to a minimum. There will be traffic in camp and on the married quarter area so please wear bright clothing.

Steady to on
